

About Us

Our Society is the first & only community membership organization dedicated to the promotion, performance and study of Mariachi & Baile Folklorico (MBFS) in Arizona.

At it's heart, the MBFS is committed to education and cultural integration and endeavors to bring to the American music and dance scene the vitality and history that faithfully represents Mexican-American culture.

Since 1982, Tucson International Mariachi Conference (TIMC), a 501(c)3, has been a leading force in supporting the development of Mariachi and Baile Folkloric instruction in schools across the United States. Not only to increase pride and awareness of Mexican American culture but to promote a sense of Achievement, Success, Craftsmanship, Discipline, Pride, and encourage youth to Engage in Education.
